

Make a Child's Christmas Join Bikes for Mission Arlington

When: 9:00 am on Saturday, December 14, 2019

Where: Parking lot at 2229 W. Park Row (Saljo's Pizza,
Pantego Christian Academy, Capuli Chiropractic)

Bikes for Mission Arlington started in 2007 with a couple of dads and their kids buying a few bikes and taking them to Mission Arlington's Christmas Store (www.missionarlington.org).

The Mission Arlington Christmas store gives thousands of Arlington families the ability to "shop" for gifts—at no charge. Once there, they realized the huge need for children's bikes. Bicycles are the most-needed items.

**Children who receive these bikes might not
receive anything else this Christmas.**

Involve your kids: Let them pick out a bike and a helmet. Bring them to the parking lot at 2229 West Park Row (Saljo's Pizza, Pantego Christian Academy) across from David's BBQ.

We will travel by police escort to Mission Arlington to deliver the bikes. It is an awesome site and a great time!

Be a blessing to a needy child in Arlington this Christmas. While you're at it, invite five friends to get a bike and a helmet and meet you there! We hope to see you on December 14th at 9:00 am.
