

## **Make a Child's Christmas This Year Join Bikes for Mission Arlington**

**When:** 9:00 am on Saturday, December 12

**Where:** Parking lot on W. Park Row, across from David's BBQ

Bikes for Mission Arlington started with a couple of dads and their kids buying a few bikes and taking them to Mission Arlington's Christmas Store ([www.missionarlington.org](http://www.missionarlington.org)). Once there, they realized the huge need for children's bikes. The Mission Arlington Christmas store gives thousands of Arlington families the ability to "shop" for gifts - at no charge. Bicycles are the most needed item.

**Children who receive these bikes might not receive anything else this Christmas.**

Involve your kids, let them pick out the bike (and a helmet) and bring them at 9:00 am on Saturday, December 12. We meet in the parking lot at 2229 West Park Row, across from David's BBQ.

We will get together, have some fellowship and travel by police escort to Mission Arlington to deliver the bikes. It is an awesome site and a blessing!

Be a blessing to a needy child in Arlington this Christmas. Please register at our website so we may anticipate how many families will attend. While you're at it, invite five friends to get a bike and a helmet and meet you there!
